Un 	bel 	giorno 	si 	ritrovò 	nella 	selva 	triste 
e 	scura 	dove 	stette 	per 	un poco 	con 	il 
cuore 	gonfio 	di 	paura 	.			

E 	d' 	incanto 	all' 	improvviso 	ecco 	apparvero 
--	---	--	---	---	---	--

3 	fiere 	,	un 	gattone 	a 	chiazze 	neri 	,
--	--	---	---	--	--	--	---	---

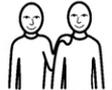

una 	lupa 	e 	un 	bel 	leone 	,	pele 
--	---	--	---	--	--	---	---

e 	ossa 	e 	affamate 	.
--	---	--	---	---

Capi 	Dante 	la 	lezione 	.....corse 	a 	gambe 	ben 
---	--	---	--	---	--	--	--

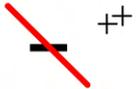

levate 	.
---	---

Non sapeva    dove    andare    ,    ma    lo    venne    ad  
            ,                

aiutare    un    amico    ,    un    gran    poeta    che  
            ,                

di    nome    fa    Virgilio  
            

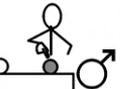

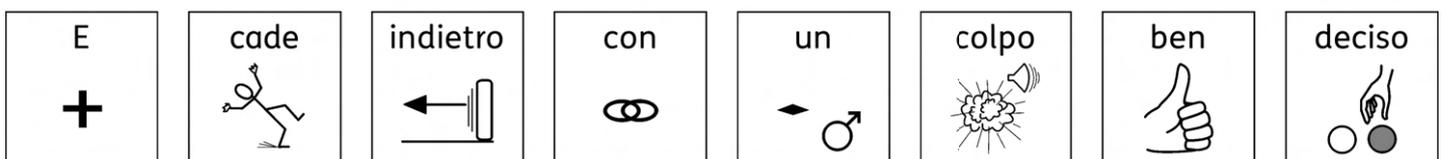

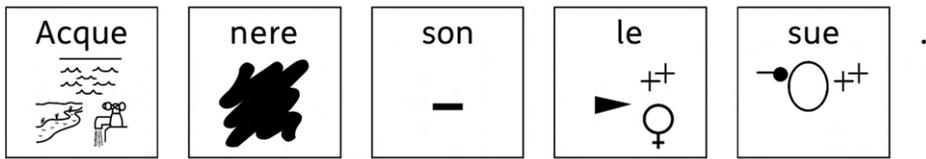

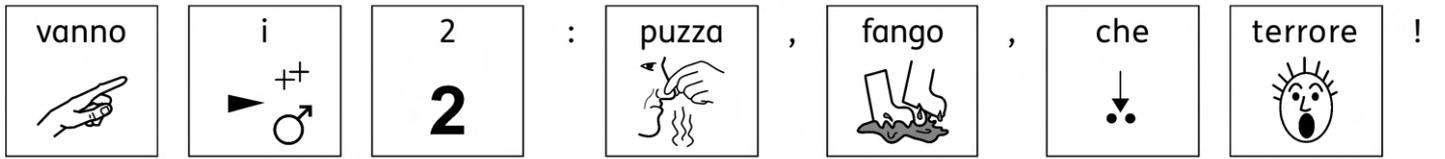

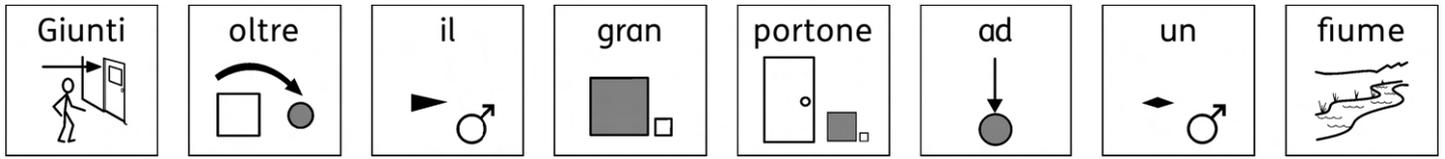

Da    una    porta    che    conduce    dove    più    non c'è  
                            

la    luce    ,    si    vede    già    l'    inferno  
        ,                    

Sulla    porta    sta    la    scritta :  
                

" Qui    lasciate    ogni    speranza    voi    che    in  
                        

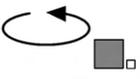

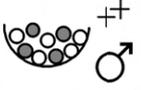

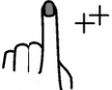

questo    regno    entrate " .  
        

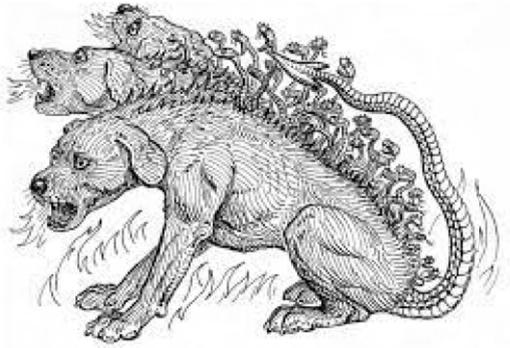

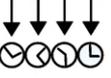

Nel 	secondo 2°	cerchio 	ecco 	,	all'entrata 	sta -	Minosse 
che 	ringhiò 	e +	proprio 	a 	tutti 	da 	le 
botte 	.						

Io 	sono -	Paolo 	e +	io 	sono -	Francesca 	,
viviamo 	dentro 	una 	tempesta 	!			
Con 	un 	libro 	il 	nostro 	amore 	fu 	interrotto 

Nel 	girone 	dei 	golosi 	ha 	3 <b>3</b>	teste 	l'animale 
e <b>+</b>	le 	zampe 	con 	le 	unghie 	è <b>-</b>	Cerbero 
il 	brutto 	cane 	.				

Brutta 	eterna 	neve 	giù 	dal 	cielo 	scuro 	cade 
Il 	goloso 	se <b>...</b>	la 	beve 	come 	fosse 	coca cola 
Proseguendo 	il 	cammino 	incontrano 	tanti 	diavolacci 	,	

hanno in mano una forchetta , che paura !

Scappiamo in fretta !!! Dispettosi come pochi ,

sono in mezzo a tanti fuochi !

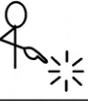

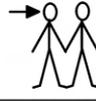

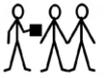

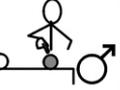

Poi , passato un fiume rosso ,

Dante e Virgilio arrivano in un bosco ,

neri i rami e il tronco grosso ,

è il più brutto che conosco !

Ecco 	un 	ramo 	poi 	si 	spezza , 
sentii 	proprio 	un 	gran 	lamento , 	
ve 	lo 	dico 	con 	certezza 	sicura : 
questo 	bosco 	è 	un 	gran 	tormento ! 

Dice Dante : " Ascoltate i miei racconti

di un eroico personaggio "

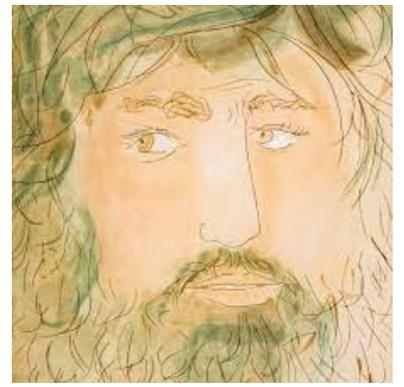

tutti i greci tenne pronti per un lungo

audace viaggio .

Era un tipo molto furbo , ben disposto

a guerreggiare a Troia ha combattuto ,

ha navigato in mezzo al mare .

Il suo nome era Ulisse .

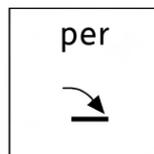

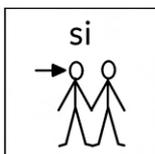

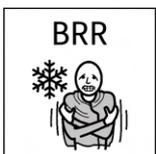

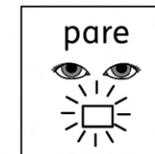

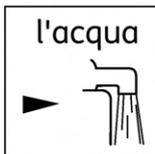

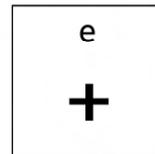

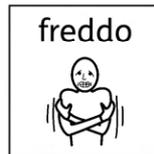

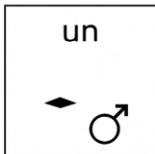

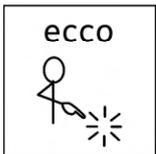

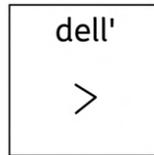

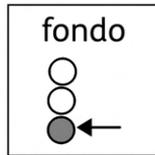

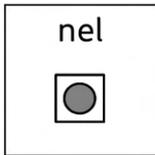

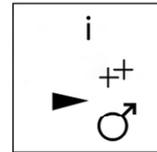

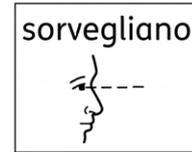

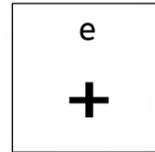

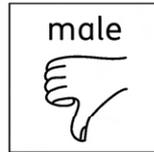

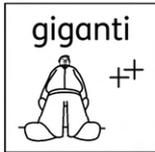

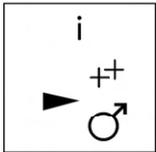

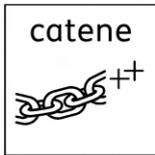

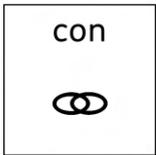

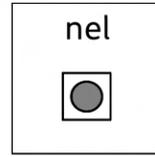

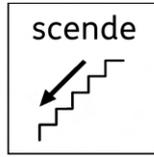

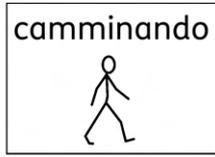

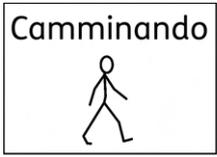

Tutti i mostri lui sfidò

a ogni prova sopravvisse

finchè un giorno a Dante disse :

" Non devi vivere come un animale ,

perchè sei un essere speciale "!

Alla fine  dell'  inverno  c'è  Lucifero  nero  , nero  ,

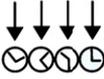

sembra  proprio  un  pipistrello 

fa  tremare  al  solo  pensiero  ,

ha  6  ali  e  3  orrende  bocche  ++

tanto  grandi  da  fare  paura  .

Ma  tu  ascolta  :

il  viaggio  non è  eterno  ...
